## Summary / Deliverable report

### Internal part of website (intranet)

DynaMORE has a password protected area which is available to all DynaMORE colleagues. It serves as a central storage for DynaMORE reference documents where confidential files can be exchanged safely. Moreover, it includes a progress monitoring tool with a reminder and notification function. In addition, it contains a directory of all DynaMORE colleagues to facilitate easy communication across the project.

### DynaMORE Dashboard

The dashboard features a navigation bar with 'Dashboard', 'Tasks', 'Files', 'Meetings', 'Directory', 'Calendar', and 'Administration'. A user profile for Sara Stöber is visible in the top right. The main content area includes a 'Welcome, Sara Stöber' message and a 'Welcome DynaMORE to Keyways!' banner with the DynaMORE logo. Below the banner, a list of features is provided: 'This is your tool - to exchange files - manage your tasks, milestones and deliverables - to find any contact details of your partners - and more... Enjoy! Sara'. A group photo of the project team is shown at the bottom. On the right, a 'Project summary' sidebar lists details for 'Dynamic Modelling of Resilience', including the acronym 'DynaMORE', grant number '777084', project manager 'Sara Stöber', and dates. Below this is a 'History' section with a count of '351' and a list of recent updates.

### DynaMORE Tasks: Monitoring the progress

The 'Tasks' interface shows a table of project activities. Annotations include a red box around the 'Milestones or deliverables' column header, a red circle around the name 'Oliver Tüscher' in the 'Leader' column, and a red oval around the '2018-04-30' deadline and the corresponding comment. A legend box on the right defines status icons: a green checkmark for '- ACHIEVED', a yellow warning icon for '- DUE SOON', and a red warning icon for '- DELAYED'. The table lists tasks such as 'D9.1 First press release' (100% progress, achieved), 'MS36 Exploitation Management Committee (ExMC) establish...', 'MS37 Design/structure of website and blog developed' (100% progress, achieved), 'D9.2 Go-online of the public project website including...', 'MS38 Concept for half-yearly electronic bulletins devel...', and 'D9.3 First half-yearly electronic bulletin' (30% progress, due soon).

*DynaMORE Files: central storage for reference documents*

The screenshot shows the 'Files' section of the DynaMORE interface. The top navigation bar includes 'Dashboard', 'Tasks', 'Files', 'Meetings', 'Directory', 'Calendar', and 'Administration'. The user is logged in as 'Sara Stöber'. The main content area is divided into two sections: 'Categories' on the left and 'Files' on the right. The 'Categories' sidebar lists various folders such as '01 Grant Agreement (2)', '02 Consortium Agreement (1)', and '04 Meetings (20)'. The 'Files' section displays a list of PDF documents, including 'DoA\_777084-DynaMORE.pdf' and 'Grant Agreement-777084-DynaMORE.pdf', each with a PDF icon and a 'PDF' label.

*DynaMORE Directory*

The screenshot shows the 'Directory' section of the DynaMORE interface. The top navigation bar includes 'Dashboard', 'Tasks', 'Files', 'Meetings', 'Directory', 'Calendar', and 'Administration'. The user is logged in as 'Sara Stöber'. The main content area features a search bar and a table listing team members. The table is organized into two teams: 'Team: 01 UMC-Mainz' and 'Team: 02 ALU-FR'. Each team lists members with their names, phone numbers, fax numbers, Skype IDs, email addresses, and team positions.
