The authors of “Assessment of Microstressors in Adults: Questionnaire Development and Ecological Validation of the Mainz Inventory of Microstressors” (*JMIR Ment Health* 2020;7(2):e14566) noticed that the equal contribution footnote was missing from the author list.

This has been amended to indicate that authors Oliver Tüscher, Thomas Kubiak, and Raffael Kalisch all contributed equally.

The correction will appear in the online version of the paper on the JMIR website on May 4, together with the publication of this correction notice. Because this was made after submission to PubMed, PubMed Central, and other full-text repositories, the corrected article has also been resubmitted to those repositories.

This is a non-peer-reviewed article. Submitted 13.03.20; accepted 16.03.20; published 04.05.20.
